

LandSeaLot Conference LAND-SEA 2026

Welcome and conference objectives

Jos Brils, LandSeaLot coordinator

30 September 2026

Co-funded by
the European Union

UK Research
and Innovation

LandSeaLot has received funding from the European Union's Horizon Europe Framework Programme for Research and Innovation under grant agreement No 101134575. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or European Research Executive Agency. Neither the European Union nor the granting authority can be held responsible for them. UK participants in Horizon Europe Project LandSeaLot are supported by UKRI grant numbers: 10109592 University of Stirling and 10107554 Plymouth Marine Laboratory.

LandSeaLot's impact pathway

LCOS = LandSeaLot's Common Observation Strategy for the land-sea interface

Circles of influence

LCOS

Promoted, endorsed and
implemented LCOS

LandSeaLot's impact pathway

LCOS = LandSeaLot's Common Observation Strategy for the land-sea interface

Circles of influence

LCOS vision:

By 2040, ecosystems in European Land-Sea Interface areas are healthy, diverse and resilient, thus optimally supporting sustainable growth of coastal communities

...

achievement facilitated through the implementation of the LCOS

Conference objective 1

Showcase our outcomes so far

Circles of influence

Conference objective 2

Jointly explore how to best get from outcome to impact

Circles of influence

how to get the
LCOS
implemented?

LandSeaLot's Integration Labs (LILs)
